DDOT Approves Temporary Saturday Work Hours on the Cleveland Park Streetscape And Drainage Improvement Project

(Washington, DC) — The District Department of Transportation (DDOT) has approved extended work hours on the Cleveland Park Streetscape and Drainage Improvement Project as a result of weather related delays.

Contractor is authorized to work on Saturday, March 26, 2022, between the hours of 7:00 AM and 7:00 PM. Construction work will continue in the Porter Street alley along Connecticut Avenue, between Ordway Street NW and Porter Street NW and will include limited alley access.

Traffic controls will be in place to guide motorists, cyclists, and pedestrians safely through the work zone. All users of the roadway are advised to stay alert, be observant of signage and expect delays while traveling in this area.

If you have any questions or concerns regarding the project or construction activities, please email info@clevelandparkstreetscape.com. Please visit the project website at www.clevelandparkstreetscape.com for construction schedule updates.

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment
