Temporary Overnight Lane Closures on Connecticut Avenue N.W. Monday, July 31, 2023, through Friday, August 11, 2023

(WASHINGTON DC) - The District Department of Transportation (DDOT) anticipates the implementation of temporary overnight lane closures along Connecticut Ave NW as part of the Cleveland Park Streetscapes and Drainage Improvement work. The contractor will begin milling and paving on Connecticut Ave NW and side streets between Porter St NW and Macomb St NW beginning on Monday, July 31, 2023 through Friday, August 11, 2023, weather permitting. This work will last approximately 2 weeks and nighttime closures will take place between 7:00 pm to 7:00 am, Monday through Friday.

Traffic controls, including signage, will be in place to guide motorists, bicyclists, and pedestrians safely through the work zone. All users of the roadway are advised to stay alert and be observant of signage and work zones while traveling in this area. Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays, and to be mindful of construction personnel.

For more information about this project and to stay up to date on traffic impacts and construction progress, please visit www.clevelandparkstreetscape.com.

The District Department of Transportation's mission is to equitably deliver a safe, sustainable and reliable multimodal transportation network for all residents and visitors of the District of Columbia.
