

CLEVELAND PARK

STREETSCAPE AND DRAINAGE IMPROVEMENT PROJECT

Pole Bracing Activity at Ordway St NW

As part of the Cleveland Park Streetscape and Drainage Project, Pepco will be conducting underground electrical work beginning February 2023 and continuing through May 2023, weather permitting, within the DDOT right of way located on Ordway Street NW, that will require pole bracing of the existing utility poles.

Traffic controls will be in place to guide motorists, cyclists and pedestrians safely around the work zone. All users of the roadway are advised to stay alert, be observant of signage and expect delays while traveling in this area. If you have any questions or concerns regarding the project or construction activities, please email info@clevelandparkstreetscape.com. Please visit the project website at www.clevelandparkstreetscape.com for construction schedule updates.

NOTICE: Due to extensive, unanticipated rock excavation, the completion date has been extended to June 9, 2023, weather permitting.
